BUBBLE BOBBLE 4 CPC

THE GAME

Meet BUB and BOB the little brontosaures who are bent and battling big bullies by blowing and bursting bubbles. Before battling these brazen bullies, beware that bubble blowing is better than blasting them with bazookas, or better than bouncing bombs, and even beats boxing them. So now that we briefly covered the BUB and BOB biographies, begin by browsing the play instructions below to become the best bubble blower. Can you clear all 100 stages and reach the real ending? A sudden reversal awaits you there!

HOW TO DESTROY

1 Blow Bubbles

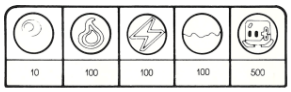

2 Box up Bullies, Then

3 Burst Them!!!

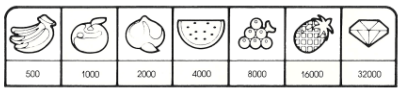

By bursting bubbles containing fire, thunder and water, you can quickly destroy the bullies. Fire, thunder and water flow in the direction in which you stretch yourself. You can even bounce on the bubbles by keeping the jump button pressed!!!

SCORING

Burst the bubbles for the following points:

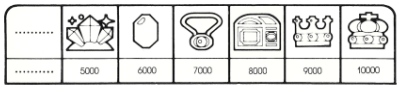

Bonuses for destroying bullies!!!

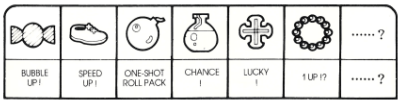

TIMING TARGETS

Clear a stage quickly allows for high-point targets in the next stage.

MAGIC TARGETS

Magic targets mysteriously appear! Take them and power up!

It's better to destroy several enemies at the same time. Get all the letters to get an extra-life. They appear when destroying several enemies at the same time!
