BLACK SYSTEM ANTHOLOGY

VOLUME 2

ENGLISH

Cosmos
You control a spaceship came from another galaxy, a reconnaissance mission in the infinite cosmos. Unfortunately, enemy vessels and traps waiting for you.

D.C.A. (Anti-Aircraft Defense)
The small republic of Zandoli is assaulted by the powerful dictatorship of General Sergei Jackmell. Protect port Tugais, road Foutouled and the great desert of Mounkinipwoblem.

Hagar
Equipped with his inseparable axe, Hagar, the ultimate barbarian eager for revenge, has sworn to slay the dragon Blood hidden in a Marmorean temple deep within a cursed forest ...

JT 37
April 1943. The Japanese fleet escorted by its aviation advances towards the archipelagos of Vinipu and Banousa. You're the only one available that can destroy this powerful armada.

Lubix
Discover an unknown planet and fight your way through a strange fauna. Your survival depends on your reflexes!

Mage (Magus)
Your daughter has been transformed into a frog by the sorcerer of the evil castle. You must deliver her. You will have to avoid the inhabitants of the castle, holes, lava... Also, beware of stairways that can be borrowed only by your enemies and wisely use the teleporters.

Military School
Under the rule of a sergeant instructor, three trials await a young recruit softened by civilian life: pumps, shooting and weightlifting.

Ninja
Counting on your mastery of shurikens, you decided to rid Stone City from the threat of the gang of the Son of Terror. For this you must kill its terrible leaders Madiba San and Zouk San.

Shoot
You must complete nine shots on goal. To score, you can pull to the left or right and even risk you shot in the center!

Sport
To compete in the Olympics, you need intensive training. To do this, join the 5 following events: 100m, long jump, 200m, shot put and cycling race.

Twins
On board your ship, you must destroy all Darkson's aliens who kidnapped your brother.

The Last Race
Former racing driver, you are Oslo Dikson who takes again the path of the circuits. You will face the best drivers who will do anything to take away the victory (K or J to start game).

Zone
Braving all dangers, you must first reach the Urus 4 base in jeep. Then with the secret code allowing access to the second zone, disintegrate all alien resistance to enter the base.

HOW TO PLAY
Use your joystick or the cursor keys and spacebar to play. In most games, the "RETURN" key pause the game and the "ESC" key abort the current game.
