Apart from displacements, each character has many moves. With the fire button or the action key pressed, every movement triggers an attack. The "diagonal/lower-reverse" movement corresponds to the defense to block the attacks (more or less effective depending on the strength of character). Discover all the possible moves and combinations to best defeat your opponents!

To hold the game, press the "ESC" key. press again the "ESC" key to abort the current game or any other key to continue.

The "P" key allows you to center the screen display depending on your monitor.

Will you discover all the secrets of Fres Fighter II Turbo ? This game is the very last game of BOLLAWARE on AMSTRAD CPC. We hope you will enjoy it as it has been created for you !

"Möge der CPC in gedanken stets mit euch sein!"

VANESSA
Proud and ruthless, it is to survive in the street she had to learn to fight.
Her arena: GAUTAMA FRES (A mysterious temple in which the Buddha appears with a strange pig face)

JUSTINE
A nun with unconventional methods and whose devotion is matched only by her determination to win.
Her arena: THE CATHEDRAL (You will fight in front of the altar)

WALKER
A monstrous bipedal creature. Agile and savage, it is also equipped with powerful claws.
Its arena: THE JUNGLE (A lush jungle of South America)

BONES
He returned from hell to avenge his captors. His iron ball will be the instrument of his wrath.
His arena: THE GRAVEYARD (Grim and frightening by a stormy night)

SHAMANE
A powerful Native American medicine woman. Agile and haunting, the spirit of thunder gives her its strength.
Her arena: THE JUNGLE HARBOUR (for you a wet and muddy bayou, for her a shelter, source of her powers)

F.SUMO
Champion in his discipline, he wants to prove that sumo is the most powerful technic of struggle.
His arena: NIPPON TEMPLE (A majestic palace. You will fight in the center of the courtyard)
